

Mobileye Innovation Award Guidelines

Purpose

Awarding the most innovative moment of the race as part of the partnership with Mobileye in 2023.

Innovative Moves

The captured moments can be an overtake, a defence move, team strategy, special line around a corner, save, outstanding lap, battle between 2 cars or other special actions on track or in the paddock.

Races

The races that will be evaluated for the Mobileye Innovation Award will be all the race of the following championships:

- MOBILEYE GT WORLD CHALLENGE EUROPE ESPORTS CHAMPIONSHIP
- MOBILEYE GT WORLD CHALLENGE AMERICA ESPORTS CHAMPIONSHIP
- MOBILEYE GT WORLD CHALLENGE ASIA ESPORTS CHAMPIONSHIP
- INTERCONTINENTAL GT CHALLENGE ESPORTS POWERED BY MOBILEYE

Voting System

The Top 3 “innovative” moves are selected by the SRO Esports race director and stewards to be cut out from race replay and made into a short edit for socials and to be posted the days after the race.

Fans to vote for their favourite Innovative moment of the weekend based on a selection of 3 pre-selected moves to be posted through Instagram Reels using the Polls feature. The vote will go to the main driver of the action.

SRO Awards Innovation Award Video

At the end of the season, the most innovative moves of each race are collated into 1 video edit to be shown at the SRO Awards Ceremony.

Mobileye Innovation Award Champion

The winner will be elected as the Mobileye Innovation Champion. Who will be given a trophy up on stage at the SRO Awards Ceremony in London.

The winning driver will have to assume at his own expense the entirety of his travel and accommodation for the SRO Awards ceremony but will be provided 2 invitations

on the SRO Esports Gala table and will be served a full course dinner and drinks throughout the ceremony.
